RULES OF THE 1969 HOUSE OF REPRESENTATIVES GENERAL ASSEMBLY OF NORTH CAROLINA

- I. Order of Business, 1-5
- II. Conduct of Debate, 6-12
- III. Motions, 13-18
- IV. Previous Questions, 19-20
- V. Voting, 21-26
- VI. Committees, 27-31
- VII. Handling of Bills, 32-45
- VIII. Legislative Officers and Employees, 46-50
- IX. Privileges of the Hall, 51-54
- X. General Rules, 55-59

I. Order of Business

RULE 1. *Convening Hour.* The House shall convene each legislative day at the hour fixed by the House on the preceding legislative day; in the event the House adjourns on the preceding legislative day without having fixed an hour for reconvening, the House shall reconvene on the next legislative day at twelve o'clock noon.

RULE 2. *Opening the Session.* At the convening hour on each legislative day the Speaker shall call the members to order and shall have the session opened with prayer.

RULE 3. *Quorum.* (a) A quorum consists of a majority of the qualified members of the House.

(b) On the point of no quorum's being raised, the doors shall be closed and the Clerk shall call the roll of the House, after which the names of the absentees shall again be called over. Fifteen members, including the Speaker, are authorized to compel the attendance of absent members, and may order that absentees for whom no sufficient excuses are made shall be taken into custody as they appear, or wherever they may be found by special messenger appointed for that purpose.

RULE 4. *Approval of Journal.* The Rules Committee shall examine daily the Journal of the House before the hour of convening to determine if the proceedings of the previous day have been correctly recorded.

Immediately following the opening prayer and upon appearance of a quorum, the Speaker shall call for the Journal report of the Rules Committee as to whether or not the proceedings of the previous day have been correctly recorded; the Speaker shall then cause the Journal to be approved. Without objection, the Journal shall stand approved.

RULE 5. *Order of Business of the Day.* After the approval of the Journal of the preceding day, the House shall proceed to business in the following order:

- (1) The receiving of petitions, memorials and papers addressed to the General Assembly or to the House.

- (2) Reports of standing committees.
- (3) Reports of select committees.
- (4) Introduction of Resolutions.
- (5) Introduction of Bills.
- (6) The unfinished business of the preceding day.
- (7) Bills, resolutions, petitions, memorials, messages, and other papers on the Calendar in their exact numerical order, unless displaced by the order of the day; but messages, and motions to elect officers shall always be in order.
- (8) Reading of Notices and Announcements.

II. Conduct of Debate

RULE 6. *Duties and Powers of the Speaker.*

(a) The Speaker shall have general direction of the Hall. He may name any member to perform the duties of the Chair, but substitution shall not extend beyond one day, except in the case of sickness or by leave of the house.

(b) In the event the Speaker, by reason of physical or mental incapacity, is unable to perform the duties of the Chair, the Chairman of the Rules Committee shall be Speaker pro tempore, and shall perform all of the duties of the Speaker until such time as the Speaker may assume the Chair.

RULE 7. *Obtaining Floor.* (a) When any member desires recognition for any purpose, he shall rise from his seat and respectfully address

the Speaker. No member shall proceed until recognized by the Speaker.

(b) When a member desires to interrupt a member having the floor, he shall first obtain recognition by the Speaker and permission of the member occupying the floor, and when so recognized and such permission is obtained, he may propound a question to the member occupying the floor; but he shall not propound a series of interrogatories or otherwise interrupt the member having the floor; and the Speaker shall, without the point of order being raised, enforce this rule.

RULE 8. *Questions of Personal Privilege.* At any time, upon recognition by the Speaker, any member may rise to speak to a question of personal privilege, and upon objection to his proceeding, the Speaker shall determine if the question is one of privilege.

RULE 9. *Points of Order.* (a) The Speaker shall decide questions of order and may speak to points of order in preference to other members arising from their seats for that purpose. Any member may appeal from the ruling of the Chair on questions of order; on such appeal no member may speak more than once, unless by leave of the House. A two-thirds ($\frac{2}{3}$) vote of the members present shall be necessary to sustain any appeal from the ruling of the Chair.

(b) When the Speaker calls a member to order, the member shall take his seat. A member called to order may clear a matter of fact, or explain, but shall not proceed in debate so long as the decision stands. If the member appeals

from the ruling of the Chair and the decision be in favor of the member called to order, he may proceed; if otherwise, he shall not; and if the case, in the judgment of the House, requires it, he shall be liable to censure by the House.

RULE 10. *Limitations on Debate.* No member shall speak more than twice on the main question, nor longer than thirty minutes for the first speech and fifteen minutes for the second speech, unless allowed to do so by the affirmative vote of a majority of the members present; nor shall he speak more than once upon an amendment or motion to commit or postpone, and then not longer than ten minutes. But the House may, by consent of a majority of the members present, suspend the operation of this rule during any debate on any particular question before the House, or the Rules Committee may bring in a special rule that shall be applicable to the debate on any bill.

RULE 11. *Reading of papers.* When there is a call for the reading of a paper which has been read in the House, and there is objection to such reading, the question shall be determined by a majority vote of the members of the House present.

RULE 12. *General Decorum.* (a) The Speaker shall preserve order and decorum.

(b) Decency of speech shall be observed and personal reflection carefully avoided.

(c) When the Speaker is putting any question, or addressing the House, no person shall speak, stand up, walk out of or cross the

House, nor when a member is speaking, entertain private discourse, stand up, or pass between the member and the Chair.

(d) Smoking or the consumption of food or beverages shall not be permitted on the floor of the House while the House is in session.

(e) Smoking or the consumption of food or beverages shall not be permitted in the galleries at any time.

III. Motions

RULE 13. *Motions Generally.* (a) Every motion shall be reduced to writing, if the Speaker or any two members request it.

(b) When a motion is made, it shall be stated by the Speaker, or, if written, it shall be handed to the Chair and read aloud by the Speaker or Clerk before debate.

(c) After a motion has been stated by the Speaker or read by the Speaker or Clerk, it shall be in the possession of the House; but it may be withdrawn before a decision or amendment, except in case of a motion to reconsider, which motion, when made by a member shall be in possession of the House and shall not be withdrawn without leave of the House.

RULE 14. *Motions, Order of Precedence.* When there are motions before the House, the order of precedence is as follows:

To adjourn

To lay on the table

To postpone indefinitely

Previous question

To postpone to a day certain

To commit

To amend an amendment

To amend

To substitute

To pass the bill

No motion to lay on the table, to postpone indefinitely, to postpone to a day certain, to commit or to amend, being decided, shall be again allowed at the same stage of the bill or proposition.

RULE 15. *Motion to Adjourn.* (a) A motion to adjourn shall be seconded before the motion is put to the vote of the House.

(b) A motion to adjourn shall be decided without debate, and shall always be in order, except when the House is voting or some member is speaking; but a motion to adjourn shall not follow a motion to adjourn until debate or some other business of the House has intervened.

RULE 16. *Motion to Table.* (a) A motion to table shall be seconded before the motion is put to the vote of the House, and is always in order except when a motion to adjourn is before the House.

(b) A motion to table shall be decided without debate.

(c) A motion to table a bill shall constitute a motion to table the bill and all amendments thereto.

(d) A motion to table an amendment sent up from the floor shall not be construed as a motion to table the principal bill or any other amendment which has been offered thereto, and if such motion is carried, only the amendment shall lie upon the table.

(e) When a question has been tabled, the same shall not be acted upon again during the session except by two-thirds ($\frac{2}{3}$) vote.

RULE 17. *Motion to Postpone Indefinitely.* A motion to postpone indefinitely is always in order except when a motion to adjourn or to lay on the table is before the House; however, after one motion to postpone indefinitely has been decided, another motion to postpone indefinitely shall not be allowed at the same stage of the bill or proposition. When a question has been postponed indefinitely, the same shall not be acted on again during the session, except upon a two-thirds ($\frac{2}{3}$) vote.

RULE 18. *Motion to Reconsider.* (a) When a motion has been once made and decided in the affirmative or negative, it is in order for any member of the majority to move for the reconsideration thereof, on the same or succeeding legislative day, unless it may have subsequently passed the Senate: *provided*, that unless the vote by which the motion was originally decided was taken by a call of the ayes and noes, any member may move to reconsider.

(b) A motion to reconsider shall be determined by a majority vote, except a motion to reconsider a motion tabling a motion to reconsider, which shall require a two-thirds ($\frac{2}{3}$) vote.

(c) A motion to reconsider a motion made under Rules 16, 17, 38, 42 and 43 shall require a two-thirds ($\frac{2}{3}$) vote.

IV. Previous Question

When the call for the previous question has been decided in the affirmative by a majority vote of the House, the "main question" is on the passage of the bill, resolution or other matter under consideration, including all pending amendments. If amendments are pending, the question shall be taken upon such amendments in inverse order.

(b) The call for the previous question shall preclude all motions, amendments and debate,
